

AGENDA

Day 1 - Thursday, 14th September

Arrival of ImmunoAgeing guests in Sardegna Ricerche

- 09.10-09.20** **Coordinator address and Welcome to the Scientific Advisory Board**
Francesco Cucca - Consiglio Nazionale delle Ricerche, ITALY
- 09.20-10.20** **WP1: Results on the influence of ageing on human immunome: genetics, sex and environmental: cigarette smoke, CMV and vaccination effects on ProGENIA cohort**
CNR Group
- 10.20-11.00** *Coffee break*
- 11.00-11.30** **WP2: Overview of the work package two and progress update: data on the autoAb profiling and the anti-viral profiling. Background and preliminary data on the age-related clonal haematopoietic**
UCAM Group
- 11.30-12.00** **WP2: Using high-throughput sequencing to reveal insights into B-cell populations in health and disease**
UCAM Group / Rachael Bashford-Rogers - University of Cambridge, United Kingdom
- 12.00-13.00** **WP3: Phenotypical and functional characterization of CD8+CD28+ HLA-DR+ regulatory T cells in young and old persons: preliminary results**
UIBK group / Stella Lukas Yani - Universität Innsbruck, AUSTRIA
- 13.00-14.30** *Light lunch*
- 14.30-15.00** **WP4-WP5: Project Management, Dissemination activity**
ALTA Group - Riccardo Bertini- ALTA Ricerca e Sviluppo in Biotecnologie Srl, ITALY
- 15.00-16.00** **Functional specialization of dendritic cells in response to LPS: implications for immunity and tolerance**
Francesca Fallarino - Università degli Studi di Perugia, ITALY
- 16.00-16.30** *Coffee break*
- 16.30-17.30** **Brief discussion on data sharing, data integration and future publications**
- 17.30-19.30** *Transfer to hotel and relax*
- 19.30** *Working dinner at Hotel Flamingo restaurant*

Day 2 - Friday, 15th September

09.30-10.15 Description of the recent work on Baff variant and autoimmunity
CNR group

10.15-11.00 New traits in analyzing aging-related physiology: fundus photographs, mitochondrial DNA variation, and aging rates
David Schlessinger - National Institute on Aging, HIH-IRP, USA

11.00-11.30 *Coffee break*

11.30-13.00 **General discussion and future directions**

13.00-14.00 *Light lunch* at Sardegna Ricerche and farewells
Departures
