

AGENDA

Day 1: Monday, 1st June

Arrival of ImmunoAgeing guests in Sardegna Ricerche (h. 8.30 - transfer from Hotel Flamingo)

09.00-09.20

Coordinator address

Francesco Cucca - Consiglio Nazionale delle Ricerche, Italy

09.20-10.20

WP1: Measuring the influence of ageing on human immunome and dissecting the genetic and environmental factors contributing to its variation throughout life

Consiglio Nazionale delle Ricerche Group (Edoardo Fiorillo - Maristella Steri - Mauro Pala)

10.30-10.50

Coffee break

11.00-12.00

WP2: Dissecting the bases of 'healthy' autoreactivity during ageing

University of Cambridge Group

12.00-13.00

Discussion

13.00-14.00

Lunch at Sardegna Ricerche

14.00-14.30

WP3: Systematic analysis of cell specific functional properties and their clinical impact

Andreas Meryk - Universität Innsbruck, Austria

14.30-15.00

WP4: Project Management, review and assessment

WP5: Dissemination of results and training of ImmunoAgeing personnel

Riccardo Bertini - ALTA Ricerca e Sviluppo in Biotecnologie Srlu, Italy

15.00-15.30

Coffee break

15.30-15.45

WPs' Time table and scientific reporting

Edoardo Fiorillo - Consiglio Nazionale delle Ricerche, Italy

15.45-17.00

Discussion

17.00-19.30

Transfer to Hotel Flamingo and relax

19.30

Working dinner at Hotel Flamingo restaurant

Day 2: Tuesday, 2nd June

09.30-13.00

Open discussion on ImmunoAgeing results exploitation and autoimmunity

Guests:

Francesca Fallarino - Università degli Studi di Perugia, Italy

Diana Boraschi - Consiglio Nazionale delle Ricerche, Italy

(Around 11.00: *Coffee break*)

13.00-14.00

Lunch at Sardegna Ricerche
